LETTER FROM OUR FOUNDER

Dear BSW Family & Friends,

This past year, our organization had so much to be thankful for. We came from a rocky year but God saw fit for us to stay above water and navigate through this non-profit world with a sound mind, heart, and balance. We had a couple of exciting moments in 2020. To name a few were winning a nomination grant from Surrendered Healing, receiving Christmas Gifts from Celebrity Make-Up Artist Melissa Hibbert, winning a Christmas donation from The Springer Sisters. These awards will allow us to continue to donate food, clothing, hygiene kits, and much more to low-income families who has girls between the ages 4-19 years of age.

This year we were also able to bless 4 different organizations with perishable items, toiletries, and clothing items to help with domestic violence women, youth incarcerated, foster care, and senior living. Thank you to all our community partners, family, friends, girls, and parents for praying and being here for u during 2020. This has truly been a journey and it was worth every minute of it.

Winning over 25 awards this year truly reminded us that the work we do is making an impact on our community life. During our 6 years of trying, we became the Best Nonprofit Organization at the Best In Black Awards and The Governors' Volunteer Award Receiptant.

GIRLPRENEUR HONOREES-COVID19

#WECANBSW GIRLS EXPLOSION This is an event where girls ages 4-19 come together in a positive space to learn different tools and resources that can assist them in their childhood as well as adulthood.

Each year we honor 6 Girl Preneurs who are serving in their community, church and own their own business in the City of Memphis and surrounding areas. These GirlPreneurs sets up a vendor booth to sell their products and information to make funding for their business.

GIRLPRENEUR HONOREES-COVID19

150 Girls were giving glam packets from our signature sponsor L'Oreal Paris Women of Worth. Even though the girls could not experience the in-person event, we brought the event to a curb-side drive-through. Thank you to our amazing team, security guards parents and teens .

Talk it Out Tuesday Summer Camp was a bit different this year. We had to complete our summer workshop virtual this year and we were up for the challenge.

Our very own Director Paula took the lead to a brighter place for our team and girls. We went deeper into the subject and conversations with our team to make the workshops memorable and educational for the girls. This summer camp is to keep the girls focused on positive things. It is truly a struggle for girls to stay focused and we are willing to give a lifting hand during this time.

COMMUNITY SERVICE HOURS

BE A BLESSING & GIVE BACK

Each year, our organization completes 3-5 huge community service projects. Partnering with Royal Neighbors of America, PendLove Inc, and Forgotten Souls Colition, Inc each year truly makes a difference in 250 homes in the City of Memphis and surrounding areas.

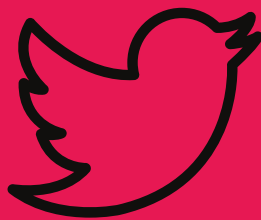

During Covid-19, 25 virtual children were blessed with food boxes that consisted of their favorite cereal, favorite snack, fruits and so much more. We continue to ask God for strength to be a service to our community. We are thrilled to know that God will continue to work in our favor to support families who are in need in our community.
